“ I would like to offer my sincerest condolences to the Sperka Family. The world has lost a good man, but, I personally have lost a great Friend. I haven't seen Ed for quite some time, but, I came to know him, after meeting in 1971. Ed was one hell-uv-a adversary when it came to any discussion of the Bears and Packers. That usually carried over with any discussion about the Merrillville Girls Softball League too. Since I was the Manager of the Girls Traveling Team, and Ed was on the Board, there were usually constant clashes. Thinking back on it now, I think we became better Friends because of it. But, one thing we did agree on, and what Ed was passionate about was the Politics of the Town of Merrillville. Whether it was at the Slovak Club, the American Legion, or, at the Old Mill, we would always come up with all the solutions to solve any problem that the Town of Merrillville might have. Of course they always fell on deaf ears, except ours. Thank you for all the beers we shared while doing all that solving. I will miss you, My Friend.

“ Eddie,
Go Bears LOL... I can imagine you sitting with your Navy buds talking about how great the bears will be this year...Sorry, I confused you for a Bears fan. LOL
You are probably making sure everyone knows how bad they will be this year LOL.
Its ok... We still love you, Ed... At least you Loved the "Cubs" :)

You will be missed...Please watch over your family as they will be looking for comfort, as the days and years go by...

As you Navy Shipmates say, "Fair Winds and Following Seas"...
...and we in the Army also have a saying;

"Soldier, rest! thy warfare o'er,
Sleep the sleep that knows not breaking;
Dream of battled fields no more,
Days of danger, nights of waking

Take care Sailor, make sure the winds are fair.
