

## Enedina Marquez

March 11, 1942 - August 1, 2020

03/11/1942 – 08/01/2020

Enedina Haro de Márquez, 78, passed away on August 1, 2020 in Hammond, IN.

Enedina was born in San Lorenzo, Zacatecas, Mexico to Reynaldo Haro and Guadalupe Salazar de Haro on March 11, 1942.

Enedina is preceded in death by her husband Fidel, sons Rey and Rudy, brothers Luis Humberto, Reynaldo and Heliodoro.

Enedina will be forever remembered by her children Fidel Jr, Irene (Thomas), Rigo (Lina) and

Luis; grandchildren Megan, Michael, Matthew, Jesse, Erica, Alex, Sandra, Sonia and Aaron;

brothers Ismael and Jose. Enedina will also be forever remembered by numerous nieces, nephews,

cousins and extended family and dear friends.

Enedina Haro married Fidel Marquez in 1960. They raised six children in Chicago, Illinois.

Enedina dedicated her life to her family, especially her beloved grandchildren, most of whom she

helped to raise.

Enedina enjoyed telenovelas and movies from the Golden Age of Mexican cinema.

Enedina also

loved collecting cookbooks, although she never used one in preparing dishes. Not even her own

recipes.

Enedina was a devout catholic and meditated and read prayers books daily. During quiet times,

when she wasn't having visitors, Enedina was a voracious crocheter and searched the internet for

new crochet patterns, which she could copy by simply looking at the finished item worn by

the

model. She would say all you needed was imagination.

She was very charismatic. She enjoyed talking to people from all walks of life, quickly learning

about their backgrounds and life experiences. Because of this, she had many acquaintances of all

ages.

A private interment will be held at Holy Cross Cemetery in Calumet City, Illinois.

Memorial donations in memory of Enedina can be made to the Hospice of the Calumet Area,

“ My heartfelt condolences to the Marquez family and friends. Mrs. Marquez was like a second mother during college and after. At times when Luis and I "should" have been studying for an exam we would often go to her home and she would welcome me in like a son and constantly feed me. As we continued to grow up and I had my own children, Luis would make an appearance (late as always) however not without enough food and love to feed an army. She was, and is an amazing person and will be forever remembered for being a loving, sweet and caring person. Sympathies to you all! Chris G Larson
