“ My first memory of Frankie Guess was when uncle Frank and aunt Barbara and Frankie and my mom Maude Guess Pine my dad Frank Pine and i Sandy Pine lived at grandma and grandpa Guess house. North Madison ave. Robinson Illinois. Frankie was three and a half months older than i. We were under 2 years old because my brother Frank Pine wasnt born yet. Any way Frankie and i would hide behind grandparents couch and watch the grown ups go back and forth . We thought we

were invisible but gave ourselves away by laughing and giggling. Of course everybody knew where we were. I didn't get to see my cousins much after they moved up north but Frankie Guess will always be a fond memory of mine . Good bye Frankie . Lots of love to you and your family. May we all meet in Heaven someday. Give my dad and mom a big hug from me.

“ My favorite memory is when Midge and him were watching my young girls for me. He would chase them and rough house with them. He made a growling sound and the girls have since then called him Uncle Alligator which he loved!

“ My favorite memory of Uncle Frank is when I stayed the night there and I waited up for him to come home from work. We went for a night swim in his pool and then went down in his basement and lifted weights together. Also he would always sing Don Williams AMANDA to me when I'd go over there as a kid. He will be greatly missed and loved. I love you Aunt Midge, I'll is, and Lori.

“ One of my favorite memories of Frank was after he came home from the hospital when he had major problems with his heart. Frank was always a man of few words. I drove down from Michigan to see him. When I walked in the house, he met me at the door with a big hug. That surprised me. Then we proceeded or I should he proceeded to talk non stop for about 2 hours. When he I was leaving he got this silly grin on his face and he said, “I bet you are surprised I talked so much. I just started talking when I Came home from the hospital and never stopped”

“ My favorite memory of Frank was the day we were all in the backyard and Dustin dared me to throw him in the pool. Dustin couldn't have been more than 6 years old at the time. So, eventually I grabbed him and tossed him up in the air nice and high and landed him smack in the middle of the pool. I didn't know Dustin couldn't swim. Dustin hit the middle of the pool went down to the bottom and popped right back up. But, Frank saw me toss him. Laurie yelled he can't swim and Frank dove over the edge of the pool and got to Dustin just as soon as he popped up in the middle. Dustin's head only went under water that one time. I never saw Frank move that fast in my life.

“ Frank, Midge, Lori and Lisa were extended family to us. My husband Jon, would say they were brothers of a different Mother, to my girls he was uncle Frank to me he was a gentle man married to my best friend. I cannot share one memory in particular of times spent with Frank because I am happy to say all our memories were happy, fun and and truly a joy. We will miss him, he can never be replaced, he was one of a kind. He is forever in our memories and in our hearts. All our love to his family and friends.
