“ Even though we haven't crossed paths in many years, please accept my condolences on the passing of "Aunt" Joan.

Fredrick Hodgers - May 30 at 08:54 AM

“ Aunt Joan and Uncle Paul were surrogate grandparents to our children during their many years in Denver, CO. We were so sad to see them move, but their immediate family ties drew them back to Indiana. Aunt Joan was a special person. There are so many words to describe her; loving, gracious, hardworking, respectful, devoted to family, great sense of humor and good old down to earth common sense. She had such an easy laugh, one that I can still hear when I close my eyes. She was a perfectionist in many regards, in the way she kept her home and herself. She was super proud of her children & grandchildren. There was nothing she wouldn't have done for them. My family will always have such fond memories of Joan & Paul, hosting the many holiday & birthday parties, watching Denver's baseball & football teams and playing one of her favorite card games, Garbage. We still have that bucket of pennies. She absolutely fussed over us & our children (& Paul) and always made us feel welcome & appreciated. We couldn't have asked for a better person to be our Aunt, she will be sorely missed as a relative & dear friend. These great memories will last forever. John, Phyllis, Eric & Alex Yetsko
