“ My Dad was not by Dad by blood. He was much better than that. He loved me even when he did not have to. He would do anything for those he loved. He was one of the most hardworking men I have ever known. He loved us all and was always so happy to be with family. I will miss your laugh and playing card games, and us all laughing so hard at our silliness. I am forever grateful for having you in my life.

Love and miss you, but know I will see you again.

Your daughter,
Carol

“ Ralph Graham was my step-dad, but he was really my Dad. I loved him and I'm thankful that he loved me. And I'm thankful that he loved my Mom so well. Dad loved his family and he loved playing games with all of us. So many great memories of family game times, and of watching and enjoying Westerns together. I'm most thankful that Dad placed his faith and trust in Jesus as Savior and that we will meet again soon for all eternity in the Father's house. Love, Your Son, Bob

“ My Dad was an amazing man, who accomplished more in his lifetime than most 10 men combined. He loved his family and extended family dearly and was always there for each of us. He loved life, but never wanted to be in the spotlight...he was always happy sitting back watching and enjoying the family.

He will be dearly missed, but there's great comfort in knowing he's in a better place and at peace.

See you on the other side.

Your Son,
Rick
