“ Ron had a great sense of humor. He could take a joke and dish it back, especially when came to his vertical limitations.

Most of all though, I enjoyed seeing the friendship between Ron and Carol and my parents. I would hear stories or see Ron at the cruise-in, and it didn't take much processing to see the friendship between Ron and my Dad.

When I think of the both of them; I am reminded of famous duos like Holmes and Watson, Bert and Ernie, Fozzie and Kermit; although I think they best matched the old hecklers from the muppet show; Statler and Waldorf.

I could tell that the differences between them is what drove their friendship. Ron will be missed, but it's memories he made with those that knew him best that I hope will bring smiles whenever he is remembered.

“ Uncle Ron Thank You for Helping shape me in to the man I am today. I will cherish this last moment with you forever. You don't know how much it meant to me that you and Aunt Carol made a special trip down here to share my wedding day with me and Alex. I finally got use to wearing my wedding band like you said I would. I love you and will miss you dearly.

Love,
Robert

“ Have many fond memories of my brother-in-law. They still make me smile! Ron and Carol, Carol and Ron. Hard to imagine one without the other. Well, consolation is had in the knowledge that he is at rest and no longer in any pain. I know one thing; if God needs anything fixed he now has the man who can do it Rest in peace Ron and God bless!
