“ Dear Shawn - I am so very sorry for the loss of your Mom, who was also your friend. Please remember all the wonderful memories you made with her, and not the last year that she was ill. She looks so happy and care free in that picture - I'm sure she wants you to remember her that way!
She will always be near, right there in your heart!

“ So sorry for your loss. I worked with Sharon at Dr. Mirich's office years ago and remember her well. She was a character and could always make us laugh. She was dedicated to her job which wasn't always an easy one! I hope her passing was peaceful. RIP
