“ *The thing I remember about him most is his smile. He had the ability to get your attention and hold it as if there was nothing and no one else in the room. I haven't seen him in a very long time but I was talking to friends about him on New Years Eve. He was always so sweet to me and I am glad I got to share a few brief moments of his life. He is truly a beautiful soul and will be missed! RIP Adam. You're in my prayers!*
