“ *Adam, I will never forget your kind, sweet words to me. You lifted me up and took care of Avery and I. The cute phrases you would say, the places we have gone, and the plans we had for the future will stay with me forever. Avery and I loved going to Zao Island, Fireflies, shopping, the splash pad, build a bear, church, County Line Orchard, Coffee Creek, and so many other precious places with you. I love you Adam. I know you will be my guardian angel from heaven. I lit a yellow candle for you because you told me if you could choose a color for me it would be yellow as I shine bright and have a fire passion in my soul just like the sun. Until we meet again my lovely Adam. I miss you dearly.*
