“ *Bill and I became friends in high school and are still friends today. We lost a few years in between but quickly caught up. He is one of the kindest people I have ever met. He is going to be missed by many. He has handled this "cancer" journey with strength and hope. You are free, Bill, fly high.*

Thank you for commenting, Gayle. Bill loved talking to you and was recently sharing memories of the poker-playing days with you and your mom. You have been a part of this journey and we appreciate all the support you have given.
