

Alex Peter Pierce

April 12, 1993 - November 15, 2023

Alex Peter Pierce, age 30, of Crown Point, IN, passed away suddenly on November 15, 2023. He was a beloved son, brother, father, and uncle. Alex left this world far too soon. He was born on April 12, 1993, to Naomi Christine Pierce and Donald Joseph Pierce in Merrillville, IN. Alex attended Crown Point High School and Ivy Tech for electrical engineering. He leaves behind his girlfriend, Tyler Marshall and their two beautiful children, Artemis Grey Pierce and Maximus Von Pierce; brother, Phillip Pierce; sisters: Natasha Pierce and Yolanda Pierce; nephew, Carter Eberly, and niece, Olivia Pierce. Alex was a devoted family man and his greatest joy in life was being a father. He approached his role as a father with unwavering love, patience, and dedication, always rushing home from work to be with his boys. Alex was an energetic young man, always cooking up something to share with everyone. He had a reputation for giving the best hugs ever. Alex touched the lives of everyone he met. His infectious smile, playful personality and kind heart endeared him to friends and family alike. Alex was athletic, and an avid sports enthusiast with his "hole in one" as his most recent achievement, that he couldn't have been prouder of. His absence will be deeply felt by all who had the privilege of knowing him. As we mourn the loss of our Alex, a young father, a son, a brother, and a friend, let us also celebrate the moments of laughter and joy he brought to everyone he met. May he rest in peace. “ *My favorite memory with Alex was the night he cooked Dan and I a fancy dinner with some red wine. We all shared our appreciation for one another and mentioned how we ought to do this kind of thing more often. We finished dinner and proceeded to tie-dye some t-shirts in their garage. That shirt already had meant so much to me with losing Dan, but now it means even more with losing Alex. Alex just had such a genuine, warm, caring, and relatable energy to him. He truly loved each individual he came across with all he had. He had a way of always making me feel loved and cared for on my darkest days. The qualities that Alex had are so rare to come across. I know his boys will inherit those qualities and Alex will live in through them. I love you so much Alex. I will miss you for a lifetime. May you rest easy.*

Alex was one of the most beautiful men I've ever met inside and out! He was like a brother to me and his actions over a decade ago also allowed me to make a lot of money he could have taken himself but chose not to and to help me out instead because he was such a great man
