“ *My sympathy to the family. Al served as our insurance agent for many years and became a trusted friend. Ray Sanders was in my boy scout troupe and that is a nice memory also..*

“ *It was with profound sadness that I learned of Alex passing the other day. I am but one of the many friends Alex had at the Maria Reiner Senior Center in Hobart. He will be greatly missed for his humor and easy approach to life.*

“ *Al and Pat were the best neighbors and friends anyone could ask for. There were so many great times going to dances and parties. So many wonderful times and laughs. We even took dance lessons together. Al and I voted ourselves the best dancers in the class*

We fished together, waterskied and drank some great toddies together to say nothing of the Hungarian bacon fries. I will always have those memories of a good friend.

“ Goodbye, Uncle Al. I know you'll be welcome with open arms by so many. When I think of the Mattingly family, I remember all as young and noisy and laughing. Our numbers are dwindling at an alarming rate, but I will always cherish the memories of so much time spent with your family. Love, Karyn
