“ Alex was a very caring and loving father, he always was upbeat and positive. Growing up I always looked up to him as a man. His sisters always asked him for advice and thought so highly of him. His mother just adored him, and always spoke of him in a positive manner. Uncle Alex you will be missed by many, but definitely not forgotten. We all love you and hope you are in a better place now. Free from suffering, next to your wonderful mother. RIP Uncle Alex

“ Alex was a force of nature. Funny, fierce and loyal. Everyone who knew him, loved and admired him. Still one of my favorite humans with the best, hearty laughs. Sending my love to Shelia, Shannon, Jemi, Troy and Family.

“ This truly saddens me. I considered Alex a friend in high school and unfortunately only got to see him a few times since graduation. His humor and his laugh will live in my memories. Prayers for the family.

“ *I can only send my love and sympathies to Sheila and all the kids. I regret this virus makes it impossible to be with you. Whenever my cancer gets too hard, Alex was my inspiration to keep going. He was truly the energizer bunny. No matter what he felt he always had a smile and made little of the discomfort I knew he lived with. He will be missed and remember with great respect. Mom and Julie also send their love and sympathies. We all loved him.*
