“ When I met Alisha I never imagined how close we would get. Her soul was the kind you don't meet often. We instantly became friends with Alisha and Shawn they were amazing people. We spent many endless nights listening to music and talking the nights away. The memories we shared will never be forgotten. Our morning breakfasts of chorizo and eggs and Alisha's favorite mimosas. All the cubs games watched the summer days in the pool. The holidays spent together. There are too many memories to list them all! You were friends more like family from the beginning and u will forever be in my heart. I promise to never stop talking and remembering you both with all our friends “family” you guys were the best! And everyone will miss you both forever.

“ Alisha, I was so privileged to experience the amazing bond and love you had for Shawn at your wedding and become apart of it. You were always so upbeat and loving towards our family. I always knew that your heart was huge and you always treated our family like yours. You were always so energetic, loving, caring, understanding and were part of our family also. I am so saddened that you are no longer going to be there physically and will miss your spunk and energy. I love you and Shawn so much and I promise to you that I will help whomever raise and educate Evan & Averie they are in good hands and will never be overlooked or missed. Family is family no matter what = Ohana! I love you so much, I miss you so much! ~ Love, Gary~
