“ Melody and I have known Bud and Alberta since we were children. Memories of them at Lake Station Faith A/G are thick. We had the pleasure of dining with Bud the day before his final trip to Florida. It was a chance meet that I believe God Himself had arranged. I am forever grateful for that opportunity. We mourn this day with the family of Bud. But rejoice because we know where he now is. We will celebrate his life, and remember the Godly example he gave to us for so long. Good bye Bud... Trusted mentor and friend. We love you.##imported-begin##David and Melody Timmons##imported-end##
