“ To the entire Goddard Family, Ours hearts are aching along with you all, we are all so close,like family. Joyce was a beautiful women and will never be forgotten in our hearts. My last two great memories of Joyce was Steph's wedding when she got out on the dance floor and had us all rolling with laughter..what a great memory of her, the other one was on New Years Eve when I had lost one of my diamond earrings and was so upset I cried the rest of the night...the next morning I did find it, and I cant recall who was more happier, Me or Joyce..she actually teared up when I found it. She really cared about others..heart of gold! She knew how much that earring meant to me and was so happy for me when I found it! We have alot of great memories of Joyce and the entire Goddard Family that will never be forgotten...and there are plenty more memories to be made and she will be with all of us looking down with a great big smile. We are so glad that we have been a part of this very special family! Our thoughts and prayers are with you all always. We love you all so very much!....The Balkus Family...xoxoxo##imported-begin##Nikki Balkus##imported-end##

“ *My sincere and heartfelt sympathy to the entire family of Alvin L. Schmidt. I have worked with his son, Al, and can speak with knowledge that he is a man to be respected...and surely he is a product of his father's very own high character and beliefs. May God bless each and every one of you and give you peace.##imported-begin##Joyce Wisthoff##imported-end##*
