“ This is truly tragic, I had met Alyssa when I was the School Recourse Officer, although I didn't know her personally I knew of her through mutual friends. I am very sorry that this bright light has passed on to shine in Heaven. Children are gifts that bring us closer to God. I wish for no parent to outlive their child but graciously her pain and suffering has ended. I am saddened by this news and I shall pray for her family.###imported-begin###Corey Hanrahan###imported-end##
