“ To the Sutton family, all of Amber's loved ones, and friends I send my deepest sympathies on the loss of your beloved Amber. I never had the pleasure of meeting Amber but from what I've read she was truly loved by many and will be greatly missed by those she shared her life with. Those we love must someday pass beyond our present sight...Must leave us and the world we know without their radiant light. But we know that like a candle their lovely light will surely shine to brighten up another place more perfect...more divine. And in the realm of Heaven where they shine so warm and bright. Our loved ones live forevermore in God's eternal light. May you all take comfort in the love Amber has for you and in the wonderful memories you made with her during her time here on Earth. My sincere condolences, Lori Kotlowski (daughter of Rosemary Smith Kotlowski)##imported-begin##Lori Kotlowski##imported-end##

“ As my dad said it I remember you as (Berber or Boo) you had both as nicknames. But the funny thing is that I have never thought anything of it till now, I call Hailee Boo sometimes and now every time I catch my self say it, I think of you. It gives me now a good memory to hold on to. You will be missed tremendously by all who knew you and for those who did not that is there loss. You were always a Blast to be around, trust me everyone knew when you were there. My heart breaks just as the rest of the Family\\'s does, but we will get thru this as the Tough Family we are. And we will keep your memorys alive and not let your Daughter forget you. You are now all of ours Angel in that big blue sky. Love you always your oldest Cousin!!! xoxoxoxoxo##imported-begin##Jody Grady##imported-end##
