“ *Amelia was such a sweet and caring person. Always kind and smiling. She will truly be missed by all that knew here. My heart hurts for the entire Olson family and everyone who knew her.*

“ Amelia had a smile that lit up the room. I loved spending each day with her when she was my first grader. Her kindness was contagious and she was always eager to challenge herself. Her sweet freckled face and curly auburn hair was like something straight from one of our story books. Amelia cared about others and had a sense of compassion that was far beyond her years. I am humbled to have had the privilege of loving her and getting to know her family. All my love to Mark, Bonnie, Maddy, and Jack.
