

Amy Kathryn Cucio

March 27, 1978 - August 9, 2023

Amy Kathryn Cucio, nee Burich, 45, of Lockport, Illinois, formerly of Crown Point, Indiana, passed away on August 9, 2023.

Amy was born March 27, 1978, in Harvey, Illinois, to Pat and Gordy (Dennis) Burich. She graduated from Crown Point High School in 1996 and attended Goshen College. The ONLY thing she would want written about her was that she was Tyler's mom. That's it. End of story. Her love and dedication for her son was unparalleled. Despite her busy schedule managing Legends Grill and Bar in Woodridge, Illinois, she NEVER missed a school or sporting event for Ty. She learned football positions and plays just to cheer at his games. She was more vocal at his basketball games, as her "MVP glory days" were spent on a volleyball and basketball court.

Amy did not want the processional sadness of a wake and funeral. She would tell you to meet at House of Kobe or grab some Chinese and just spend time together laughing, drinking, and telling stories. Those surviving to carry out her wishes are her beloved son, Tyler; parents, Pat and Gordy; sister, Chris Burich; niece, Arissa Hopkins; uncles: Bernie Burich and Mike Golec; cousins: Jennifer (Steve) Kocon and Michael Golec, and Tyler's dad, Jeff Cucio.

Amy is also survived by numerous aunts, uncles, cousins, and MANY special friends.

She was preceded in death by her favorite aunt, Deb Golec; uncle, Blaze Burich, and maternal and paternal grandparents.

Fly to the moon, Amy, and wait for us on the other side of the stars. This is not

a goodbye; it is just a see you later.

In memory of Tyler's mom, Amy Cucio, donations may be made to Providence Catholic High School Athletic Department in New Lenox, Illinois. Burns Funeral Home & Crematory, Crown Point, IN, entrusted with arrangements.

“ I had the genuine pleasure of working with Amy at Legends. In my short time there, I always enjoyed the conversations Amy and I shared about football and life. Amy will always be the shining light the world needs. May her memory and spirit always live in our hearts and memories forever.

“ I'm so sorry. Amy was a light I hadn't seen in many people. She was always so happy and kind. It was an honor to know her and work with her for the last 5 years. All of us and our customers have been so concerned, and not a day has gone by that people didn't ask about her. This is heart wrenching, but I can hear her laugh, and I know she'd want us to be positive, as she was, always. I'll miss her so.

“ *My heart was broken when I heard this. My deepest condolences to the Cucio and Burich family. We always had such a good time with her and her mom & dad during basketball season and AAU. Many hours sitting in the bleachers, but enjoyed every minute. Our daughter and Amy spent days together at each others house. Amy, Julie & Jen worked in the Little League concession stand for me and there was never a dull moment. So many wonderful memories to cherish. Rest in Peace, Amy.*

Sincerely,

Ken & Terri Mills
