# Tribute Wall

“ My husband and I would like to extend our sincere condolences to the family and friends of your beloved Anastasia. The grief felt when we lose a loved one may seem unbearable. At such times, we have gone to the comfort of God's Words, for he too, feels our pain when one we love dies. (Psalms 34:18) May you also find comfort from the experiences you shared together-cherish them. Take care of yourselves and each other.##imported-begin##PJ##imported-end##
