“*Andy to me was a good father and a really good uncle. Why? Because he was there for his daughter and for his nephews. To me, just seeing him at his nephews baseball games supporting them was huge and that spoke volumes in my heart longing for my own family to do what he did and that he was there.*

I did not know him that much but he was genuine and sincere when we had conversations at the baseball fields. Now that he has gone to heaven, a place of peace I find my self thinking how he is in the bleachers of Heaven cheering the boys on in the fields and watching over closely at his beautiful daughters, his true love, and his amazing family.

Andy you have left a beautiful mark on many hearts!
