Tribute Wall

“Dad, I will miss you. Your wisdom and love were given freely to me. I will always be grateful to have been accepted as an equal member of this wonderful family. We have laughed, cried, smiled, frowned, celebrated and loved under your guidance. Your legacy will live on through your 7 grandchildren. "Oh the stories we can tell!" When I think of you going forward, I will smile, as you could always lighten things up with your humor. Playing cards with you and Yola will always be a fond memory, as you always made me laugh till I cried. I have tears of sadness in my eyes right now, but they will eventually be replaced with smiles, as I remember the good times shared and every time I visit "Richardson's" I will have one for you! With love always, Gigi###imported-begin##Janet (Gigi) Zecchino###imported-end##
