“ *Our sympathy to all who loved and adored a wonderful woman and Mother who will be missed by the many lives she touched and influenced positively during her time on earth with us. Always being the strong one for those she loved; and all of us privileged to know her and love her during her glorious time with us. Her strength is needed more now than ever for her family and friends; and can be found in our hearts and fond memories. She surely will be resting in eternal peace and preparing a place for us to join her in heaven. In times of sorrow we pray for everyone to remember the many joyous times together. These happy memories are what we should hold dear in our hearts, as we pay our respects and the deserved tribute to such a fine Lady and Mother.*

*Love, Ben & Susan*
