“ *Angela was a good friend growing up together attending SS Peter & Paul and Andrean. So many wonderful memories from those days, lots of sleep-overs, always laughing. Staying up late talking with her mom. There was a lot of love there. It's hard to imagine she's gone. My condolences to Jack and to Angela's sons, and her entire family. “ Jack, Trevor, Johnny, Doc, Sally, we are so very sorry to hear about Angela. You have our deepest sympathy, as well as our prayers. Angela was a spark of life to the family. Her warm smile and positive energy always greeted us when we arrived for family gatherings. Ever the perfect host, she always pointed us, first thing, toward the 8 foot long table piled high with every food imaginable, just to be sure we were well taken care of. Angela took good care of her family and friends, and we will always remember her fondly for the love she shared.
