Tribute Wall

“ Angie was the beloved aunt of my beloved friend, Diane Kimberling. Diane has told me several times how much love and strength she got from her Aunt Angie. It was Angie who helped her brother Gus to raise Diane and her brothers. Diane is one of the best people I know, and she says her path in life was determined by Angie and Gus and the example they set for her. Diane is a wonderful mother, grandmother and friend, so that is how Angie lives on. Besides her good heart, Angie will be remembered for her funny and full-of-spirit outlook on life.##imported-begin##Lynda Jones##imported-end##

“ Angie Mehas was a one-of-a-kind person. She was the most caring, compassionate and true-to-life person I will ever know. She cared about those who meant the most to her. She was a classic and will be missed very much. She always had a joke to tell. May she rest in peace.##imported-begin##Diane Kimberling , Angie!!!!!!!!!!!!!!!!!!!!##imported-end##
