“ *Angie was a great mother and I couldn't have found a better mother-in-law. I will never forget when I went on my first real date with Dave, we went to this super fancy restaurant, but first, since it was Dave's birthday dinner, he saw some hoodies and we were in the store so long we were late for the reservation (lol). Dave had like 3 bags of Budweiser hoodies and other stuff. That's when I knew we were going to be butting heads. She's the only woman I'd ever have wanted to have as my husband's mom. Love you and miss you, Angie.*
