“ Sending my condolences to Nina and family. I'm heartbroken to hear of cousin Angelos passing. You and my dad were not only cousins but great friends. I remember a long time ago we were out at your place and there was a pig roast (reunion or a Father's day?). You will be missed. Say hello to my dad for me 🥹

“ I lived right down the street from Angelo and he was such a sweet friend! I was wondering just the other day when I passed his childhood home, how he was doing in life and where he lived! This brought tears to my eyes! May he rest in peace! Love is sent to his family and close friends.
