“ Dear Jim,
There is no way to express enough how much I am going to miss Ann. She lived life to the fullest. Everyone that met her fell in love with her. She had such a beautiful heart and loved all. I loved the family stories she told me that she was so excited about. She was one very special friend. I love you Ann.

“ Dear Bob:

We were so sorry to learn of your mother's passing. you have our deepest sympathy

If the final judgment is a measure of how much love we gave in our lifetime, your mother sailed right through those pearly gates, pausing only to give a big, warm Policicchio greeting and that huge, happy Dunklau smile.##imported-begin##Peter & Peggy Hoyt##imported-end##

“ Bob,

My thoughts are with you.

In the eyes of the foolish they seemed to have died, and their departure was thought to be a disaster, and their going from us to be their destruction; but they are at peace.##imported-begin##Peter Breen##imported-end##
