“ I will never forget all the summers and nights I stayed and my Auntie and Uncles house! Going grocery shopping with her at Lake Park Foods and coming out with 2 grocery carts full of food! Her and my mom always washing plastic and foam plates. lol Her love for all animals. One new years eve I ended up somewhere I didn't want to be. Auntie Ann and Uncle Jim picked me up and took me to their house. Best New Years ever! She was the most incredible Auntie! Love you forever!

“ I will always remember going to Auntie Ann and Uncle Jim's house and playing with the cats ( the reason I always wanted cats) and the garden out back. Auntie Ann was the sweetest woman who cared about everyone.
