“ *One of my favorite memories of Anna was sipping beer with her and watching the presidential debates. (Only one beer, though! Anna was a lady.)*

She loved beautiful things, and she loved her family. Sending condolences to all.

Dear cousin Anna Jean. You will be missed! I can still hear my dad saying, "You need to follow the example of your cousin Anna Jean, she works hard and loves her family!" thank you for setting such a blessed example for me and so many others. Miss you and one day will rejoice with you in heaven. Love you
