“ Going to miss your calls about all the sports. Every time I watch an IU game, Bears game, Cubs game or any other sporting event we would have watched I will think of you! Going to be quiet without you yelling at the referees, umpires and players. You definitely passed that on to me. I get just as excited and frustrated as you did. You had your faults but you always had a huge heart and we're not afraid to show your emotions. I will miss your smile and your love. I know you will be watching from above in heaven and looking out for us just as you did here. Love and kisses 🥰 forever from your daughter!
