*"Danke" Tony for your dedicated service to our nation!  
"Good Job" Choosing Diana as your dance partner in life!  
I received such a blessing the day you and Diana came into my life. I thought I was there to help you, as it turns out I was there to learn the lessons you silently taught me. It was such an honor to spend time with you. I know you are dancing freely now on the streets of gold where beautiful angel wings replace your dance number.*
