“ *We both had made the middle school team for coach petit in 8th grade, I never knew Anthony, but we spent the whole season on the bench together broadcasting the games, it was more fun than playing. I had run into him a few weeks ago and we still remembered our special handshake <3 my thoughts and prayers are with all whose hurting.*

“ *We had only lived in CP about a year and really hadn't met many of our neighbors. I was looking out the front window and It was freakin cold out! I see this cute boy riding his scooter down our road and he puts something in our mail box! We soon found out it was Anthony and he had put a valentine gift for Natty in there! Such a sweet thing to do! Still makes me smile! Love you Di and Ernie. We will always keep Anthony in our hearts.xoxo*

“ Anthony showed up to my house with Blake. They were friends of my daughter. Both those boys helped me around my house any time I asked. Anthony was a sweet and respectful boy. I always loved when he hung out around our house. The last time I saw him was about 6 years ago and we had a nice visit. He will be missed

“ *My first memory was him coming into my house with Joyce a pacifier I'm his mouth and several in his hands .. He was one. A beautiful baby.. He grew to be a cutie pie, then into a handsome man. *Anthony. You made an impact on one very special young man, Jacob Stewart! He told me this afternoon you were his best buddy! You played video games with him and talked to him with caring in your heart! He has new characters he was wanted to show you next time you two met up. I told him to take a picture of them and write you a note so he can give them to you to take with you on your "journey"! He said he misses you!*

*You were a good boy, Anthony. You tried your best to make it to the top! Well, honey, you beat the rest of us!*

*I know you are having the best conversation of your life right now with Jesus! He will hold you in his arms and tell you He loves you.*

*I miss you Anthony.*

*Love and hugs! Aunt Teresa*

*“ I met Anthony many years ago. We ha e shared many memories together. We have played hundreds of rounds of disc golf together, celebrated birthdays, New Years and many more. Anthony had an energetic personality, and always knew how to make you smile, laugh, have fun and even cry. It is not going to be the same without you man. I LOVE YOU BROTHER and I hope your soul is at peace.*
