“ I have so many memories of my cousin Tony I would be here all day. The most important one I will always remember is that he LOVED his family immediate and extended and just wanted us all to get along and have FUN!! He loved life and just wanted to make the best of everyday. I will miss him but I know that he's in a better place with our Lord in Glory and finally enjoying his family and friends that have gone before him. May God bless Gladys and our family that will see him someday. We love you cousin!!!

“ Tony and I grew up together in Gary Indiana and we attended the same grade school received first communion and confirmation. He always kidded me that my family named me after him since he was born first (six months apart). Both of us were altar boys at St. Anthony and St. Emerick churches. We graduated from Bishop Noll high school and took different paths in life. Tony met the love of his life Gladys and he married this wonderful woman and they produced a wonderful growing family. I was fortunate to have Tony as a friend throughout the years. My heart goes out to Gladys and family. Although I cannot attend the funeral he will be in my thoughts and prayers.

May you take comfort in knowing that there is one more angel looking over us. Tony will finally meet his father along with the rest of his family who have passed from this life.
