“ Condolences to the Schultz family on the loss of one of the best ladies I've ever known. Arlene was beautiful inside and out. Always made everyone around her feel as if they were so special. Her smile and personality could light up a room. Her presence will be missed, but the memories she left behind will make anyone who thinks of her instantly smile. What a gift. Rest in peace cousin Arlene. God Bless.

Aunty Ar as we called here. I can still remember her in her new Grand Prix coming over to our house by the beach. I had a secret crush on her with her beehive hair do. I still remember what fun we had when she & Herbie would come to our house. Rest in peace Aunty Ar, what a class act !
