“ *When Arnie drove for Merrillville Schools (John Wood), he would ALWAYS have a smile on his face. I never saw him mad or sad. Arnie would sometimes take the students on his bus to his farm to see the animals. Those students will never forget what Arnie used to do for them. Rest in Peace.*

“ *I met Arnie In 1978 when a friend of mine and myself brought Comar Fleyraff back home..He had been on lease to Jan Madrigal. We got the grand tour and enjoyed Arnie and Wife's hospitality. I got to see Arnie on a number of occasions with the Azraff-Ferzon Booth in Kentucky..He will be missed and the Azraff-Ferzon bloodline has lost a champion..RIP Arnie..*

*DeWell Arabians and Twin Brook Arabians started trading horses back and forth in the late 70's and formed a "family" relationship. At least once a year there was a trip to one farm or the other. Not having Arnie in our lives leaves a big hole. It is also a big hole that won't be filled in the Azraff/Ferzon world of breeding horses*
