“ My heart was totally broken reading about barbs passing. Grew up right down the street from the family and she was always smiling and always having fun. Her and Tom were very kind to my family when my dad passed many years ago. Thoughts and prayers are with the family. She will be dearly missed

“ *Barb was my aunt and she did that fabulously!!! I have many fond memories of celebrating a birthday or another occasion by a lake with Barb, my cousins, my family, and others. I can hear her laughing in the distance, dishing it up and out; the food, the latest news, and kids constantly running up to or away from her. There were always a lot of kids, grandkids, and action. I loved swimming, tossing a football, exploring, messing/playing with my cousins, meeting their boyfriends/girlfriends, whom later became husbands/wives and had amazing families of their own. I can see her sming now. She smiled often around family/kids - always a kind word, she'd mess with ya a bit, point you in the right direction for the best food, drink, or activity. She got me the coolest birthday and Christmas presents. She made holidays or just about any day, feel a little more special, brighter. She had a ginormous heart and you could feel it when close. She was one of my faves and I hope she is smiling, cutting it up, loving, and throwing that heart around to those we have love and lost in heaven!*

“ *To: Julie, Kelly and Jimmy,
Our hearts are broken for you while our prayers are unceasing to God our father as he embraces each of you with his love and mercy, so that each tear can be wiped away by his divine grace. To all the grandchildren and family may your memories be filled with the love she showered on each of you. The smile, the laugh, the hugs, the kisses, and the tears, this is what love is made of.*

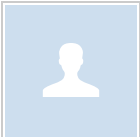

*Love,
Always and a Day

“ Mrs. Griffin (Noonan) was my second mom all through junior high and high school. She made anyone who came to her house feel welcome and one of her own. I will always remember the fun times I spent with the family. My condolences to the family and everyone who loved her.

“ To Barbs Family,
Please accept our sincere condolences on Barb's passing. I first met Barb over 50 years ago while working at the Telephone Company. She was my first true friend after High School. She even stood up in our wedding. We shared Many adventures together. Sadly distance kept us apart in the later years. But we kept in touch through cards and occasional phone calls. She had a heart of Gold and I'll never forget her smile. Please know our hearts are saddened at losing such a wonderful person in our lives.. You are all in our thoughts and prayers. May God keep you all safe and in his loving arms.

Sincerely,
Ken and Chris Benson
