“ *To my Uncle and cousins,  
Only good memories of Aunt Barb, drinking coffee at our kitchen table, and always put 1 ice cube in it, then winked as we were watching her. I remember fun times, making homemade ice cream and always a house full at Christmas time. Aunt Barb was loved by all the cousins, and although I was little I distinctly remember her watching out for Elly at Hosford Park. The majority of my childhood memories include her, have never forgotten her and will always have a space in my heart for her, and all of you.  
Heaven has gained yet another angel, and Im sure she is reunited with Grandma, my mom and dad, and now, Arne as well. We will see her again.*

*God bless you all*

*Love, Punzy*

“ Dear Greg and girls,  
I have a flood of wonderful memories of all the Hernandezes from knowing Barb as secretary at Hosford Park and as a dear friend for years; to you three girls... Linda and Laura as students of mine and Linda and Paula as brave babysitters of you-know-who; to Greg, also as a friend, fellow Lake Ridge employee, and as a terrific husband to Barb!

*Art and I share deeply in your sorrow.*

*Lots of Love,*

“ I have the best memories of my Aunt Barb. When I was little, I spent a lot of time at their house. They spoiled me rotten. I'll never forget getting my Pink Thunder Huffy bike at their house for my birthday. Unfortunately we had to move and lost touch after my mother died. I am now 46 years old and will never forget my time with her and Uncle Gregg. I also will never forget Laura, Linda & Paula. Thanks for all you did for me when I was little and I am so sorry for your loss. You will all be in my prayers.

Love Toni
