“ *My dear cousin Barb was part of my life and will always be special to me. The last time we were on vacation together., us cousins were in Destin Florida. A wonderful memory of Barbs sense of humor making Ron kiss a moose at Mc Guire's Irish Pub. We will miss you and love you too.*

“ I didn't know Barb well when we were in high school, but through the monthly lunches of our classmate I got to know and love her! I spoke with her just about a month and she was anxious to get our group back together after COVID. At her urging, we had our first lunch this month and she couldn't make it. I missed them and will continue to miss a dear friend.
