“ Dear family I want you to know my thoughts and prayers are with you during this difficult time. Barb was a great woman who will be sorely missed. I always remember family reunions and holidays at Grandma Kinder's when we would all come together and enjoy each other's company. She will be missed.

“ I remember Aunt Barb and Uncle Rich taking me on a road trip to TN when I was a kid. That was such a fun trip minus the bad sun burn. We went to yard sales galore she loved a great bargain. I loved spending that time with her. Definetly going to miss her... Gone but never forgotten.... Rest in peace I love you
