“ I couldn't ask for a better Mom. Mom is forever in my heart and a part of me. I love and miss her every day. The time spent the night before we listened to her favorites. Willie and Simon and Garfunkel. Although I did all the talking, we shared beautiful time together. I am grateful to have spent that time. I love you Mom!

“ Barbara was not only my Mom, the best Mom I might add, but my best friend. I miss her so much every day. We talked or saw each other every day and the loss has left such a hole in my life. She was always there for me, no matter what. It has been almost two months now, and it hurts just as much as the day she passed. I am grateful her suffering is over and that I was with her at the end. I wish there was more that we could have done.
