Tribute Wall

“ Barry has been a life-long friend of mine going back to Burnham, where we both use to live. I use to baby sit his kids and was friends with his family. We stayed friends all through the years and talked often on the phone. He will always be one of the best friends in my life and I will miss him greatly. He was one of Burnham's finest on the police force and a good friend to many. Rest in peace, my friend. Sending love to you.

“ Barry was a dear friend and mentor. He was my first training officer when I became a Burnham Police Officer in 1974. Thanks to Barry I had a great 43 year police career. I will miss him and I will miss reminiscing about the cases we were on and the fun we had on the department. Rest in peace my friend.

“ *Uncle Barry was rough around the edges and could be loud at times but he had a big heart. I became close to him and we'd go to breakfast every time I came over to help him. He was always there for us. I will miss you Uncle Barry. Love your Niece Aj*
