“ *Belinda was was big cousin. I remember as children how excited me, my siblings and other cousins would get when her and her brother Brandon came to visit. It was always such a big deal to us because we didn't get to see them often. Belinda was always SMILING! She was pure with a heart of gold. I had the pleasure of being a bridesmaid in her wedding and she graced me with being a bridesmaid in mine. Belinda was a beautiful soul. I love you cousin* ❤️
