Tribute Wall

“ Dear Russell,

Remember when we were little and mom gave us bath's together? I hated that you got to play and it took forever for her rinse my hair. I still remember the look on your face when I told you that I didn't want to take bath's with you anymore... Sorry about that. Remember the time you wanted to walk to the store with my friends and I and I made you go back home? I still remember the look on your face... Sorry about that. Remember the time it was your turn to use the phone and I hit you with it? I'm sure that hurt... Sorry about that. Remember the time you got that nasty sunburn? (I promise I wont tell her but I'm still sorry about that).

Remember the time we went sledding all day and into the night? We were soaked and freezing. I think we probably sustained permanent frost bite from that day. It was one of the best times I ever had...

Thank you for that. Remember the time we went on a "hike" through the woods? (our back yard). We were gone what seemed like all day. That was the best hike I ever went on... Thank you for that.

Remember all the trees we climbed? (and the one I got stung by a bee in!) I think about that a lot... Thank you for that.

I wont ever forget the morning of 10/22/10 and I am so very sorry for that. I wont ever forget every memory you have given me and I Thank you so very much for every one of them.
