“ *To my dear friend Betty—
You were kind beyond words, loyal to your core, and so full of love it spilled over to everyone lucky enough to know you. From our college music days, your voice always took my breath away, and your laughter? It was pure sunshine. I can still picture us grabbing Aurelio’s pizza and talking for hours—about songs, silly stories, big dreams, and the little things that mattered. Those moments were gifts I’ll carry forever. I’m blessed beyond measure to have had you in my life. Sing on, beautiful soul. I love and miss you every day.”
Love you, Rest peacefully. Sally*
