“ To the Family of Betty Kos:

My grandmother was Betty's roommate at the Brown County Health & Living Community, Nashville, Indiana.

I want to offer my condolences for your loss. Betty was a light who offered a smile and 'candy' to whomever came to see her or my grandma. She was a bubbly and a bundle of energy and she encouraged others. She will be missed by all who were blessed to know her and become her friend. I am blessed by knowing her and being her friend as well.

I will keep your family in my prayers as you celebrate her life and share your memories. May you find peace and comfort as you tell this wonderful lady goodbye.

God bless and may you find peace and comfort in his love.

“ To the family of Betty Kos:

My name is Lou and my mother Dorothy was Betty's roommate at Brown County Health & Living In Nashville, Indiana.

I want to offer my condolences for your loss. A genuinely warm person and a bright light has passed from this world to the next and she will be missed. Betty was a positive person who offered a smile and a kind word to all whom she encountered at the nursing home. Betty was very kind to mother and helped to soften her transition to living in the nursing home. She became a valued friend. Mother, and indeed all our family who interacted with Betty, are saddened at her passing and mourn the loss.

We will be praying for peace and comfort for your family members as you say your final good byes.

May God bless you and give you peace.

Thank you very much. She was happy that Dorothy was her roommate. And worried about her. Glad my Mom had a friend like Dorothy in her life!
