“ My heart mourns at the passing of this dear, dear friend, but my spirit rejoices at having known such a marvelous woman. I have been so blessed to have had her in my life. She was vital, caring, intelligent, street-smart, compassionate, strong as nails and at the same time gentle as a kitten. Her zest for life carried her through many events that would have defeated a lesser soul. I will always remember her love, strength of will, determination through pain, but most of all her hearty laugh. I am all the richer for her touch on my life. Her love for her family was fierce and one that will, I am sure will be a comfort to all of you through this trying time. My sincere condolences to all of the family, and the offer of anything that I can do for you. With all love and prayers, Jan Baack###imported-begin##Janice Baack###imported-end##
