“ Dear Stephanie, No words can fill the loving devotion you gave to Billy around the clock with such great strength! I was truly amazed every time I came to visit by all the love and the way you handled things on your own with ease. I remember the sweet way you spoke to Billy and always said I Love You before leaving the room and then Billy giving you that cute little smile! Steph, you are a wonderful, loving, caring, wife and mother! Billy is now up with the Angels, so...continue taking care of Billy's little Angel down here! Lots of hugs and prayers.##imported-begin##Robin Shuman##imported-end##
