“ *Beverly and I have had many great memories for the past 20 years. She always told me the truth and never sugar coated anything. She was a wonderful mother, grandmother and mother in law. I will miss her deeply especially playing games with her, fishing and going out to eat.*

It was a true blessing to know her and form a loving friendship. Her last words to me was Amber I love you with all my heart. I will cherish that forever.

Haley, Brady and Kendall will keep her in their heart forever.

“ My Mother-in-law... What a lady. I jokingly told her after 40 years together, she grew on me. The truth is I loved her from the minute I met her. I have so many wonderful memories of her from cooking Sunday dinners together- playing board games-painting-gardening-hanging laundry on the line- her teaching me to crochet and a million more..... She had more strength then anyone I know. For most of her life she was a single parent raising her children, By being married to her son for 39 years I can honestly say she did a great job. I will miss her terribly. She wasn't just my mother-in-law she was my friend.

“ I visited Bev a few times in her home as her Care Transitions nurse, but we always ended up talking about everything and anything. In her story telling, I could tell she led a full life, loved her family and never talked about any regrets. I'll miss you Ms. Junkin. Rose M Veteto RN Care Transitions
